EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kristin Kohler on June 25, 2004.

The application has been amended as follows:

In the claims:

In claim 10, line 9, delete "." at end of sentence and insert therefore --; and a circumferential skirt formed around said end piece and having a plurality of solid connection tabs spaced circumferentially around said circumferential skirt.—

In claim 21, line 3, delete "hol" and insert therefore -hole--.

The above amendment was required to provide all the limitations of canceled claim 1 into claim 10 as was required to make it allowable, and to correct either a typographical error or a lost letter during the fax transmission, where it is clear that it should read a receiving hole as such is the term used in claim 10 from which it depends.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James F. Hook whose telephone number is (703) 308-

2913. The examiner can normally be reached on Monday to Wednesday, work at home Thursdays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Mar can be reached on (703) 308-2087. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
